** STAFF REPORT **

PROJECT DESCRIPTION

The applicant is proposing a 12,664 square-foot Liquor Establishment (Tavern) within Freedom Park at 3151 East Washington Avenue. There are a total of two buildings on the subject site that will serve alcohol. Each building is 6,332 square feet. The applicant fails to comply with minimum distance separation requirements and Waivers of these separation requirements have been requested. The proposed Liquor Establishment (Tavern) is appropriate on the subject site, since the facility is regulated by the City of Las Vegas and alcohol will be served in conjunction with civic events and other events permitted by the approved Maintenance and Operations Agreement. Therefore, approval of the request is recommended. If denied, the sale of alcohol would not be permitted on the subject site.

Issues:

- Waivers of minimum distance separation requirement are requested from a similar use, City Park, a School and a Religious facility.
- Each 6,332 square-foot building will accommodate approximately 200 people.
- The Liquor Establishment (Tavern) use is appropriate as it will be regulated by the City and local agencies.

ANALYSIS

The applicant is proposing a Liquor Establishment (Tavern) as a part of the renovation of Freedom Park at 3151 East Washington Avenue. The City Park remodel was approved by City Council on 12/20/06 and is currently under construction. The applicant is intending to serve alcoholic beverages during various functions within Freedom Park in two buildings indicated on the site plan at 6,332 square feet each. The applicant is requesting Waivers to allow a distance separation of 100 feet from a Liquor Establishment (Tavern) and a Religious Facility, and 400 feet from a School where 1500 feet is the minimum required. The proposed Liquor Establishment (Tavern) is appropriate on the subject site, since the facility is regulated by the City of Las Vegas and alcohol will be served in conjunction with civic events and other events permitted by the approved Maintenance and Operations Agreement; therefore approval of the subject Special Use Permit is recommended.

The following table indicates the operating hours for the proposed Liquor Establishment (Tavern):

Day	Opening Time	Closing Time
Monday	4:00 PM	1:30 AM
Tuesday	4:00 PM	1:30 AM
Wednesday	4:00 PM	1:30 AM
Thursday	4:00 PM	1:30 AM
Friday	4:00 PM	2:00 AM
Saturday and Three Day Holiday Weekend Sunday	8:00 PM	2:00 AM
Sunday and Three Day Holiday Weekend Mondays	8:00 PM	1:30 AM

FINDINGS

The following findings must be made for a Special Use Permit:

1. "The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan."

The proposed Liquor Establishment (Tavern) is compatible with the PR-OS (Parks/Recreation/Open Space) land use designation and surrounding uses in the area.

2. "The subject site is physically suitable for the type and intensity of land use proposed."

The proposed Liquor Establishment (Tavern) use will be located within a City Park. This site is physically suitable for the type and intensity of the land use proposed.

3. "Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use."

Access to the site is provided from Washington Avenue, Pecos Road and Mojave Road, which are all 100-foot Primary Arterials as indicated on the Master Plan of Streets and Highways. They are adequate to facilitate the traffic generated by the proposed Liquor Establishment (Tavern) use.

4. "Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan."

Approval of this Special Use Permit will not compromise the public health, safety, or welfare as the proposed Liquor Establishment (Tavern) use will be subject to regular inspections.

5. The use meets all of the applicable conditions per Title 19.04.

The proposed Liquor Establishment (Tavern) use fails to meet all requirements pursuant to Title 19.04. Staff recommends approval of the request for a Waiver of distance separation requirements. The intended use at this location is appropriate as alcohol is to be served in conjunction with baseball games and other civic events. The use will also be regulated by City and local agencies.
